AMARA LAUNCHES EXCLUSIVE NEW SEDA FRANCE CANDLES

Whether you want to create a romantic retreat or add the finishing touches to a relaxing night in, Amara's new Bon Chic candles designed by Seda France are just the tonic this summer.

Furthermore, finding the perfect scent is easy with a selection of six fruity and floral candles to choose from all inspired by the glamour and decadence of Old Hollywood.

Each perfumed candle is hand poured, made from 100% soy and has a guaranteed burn time of 60 hours. The ideal gift for any occasion, the candles are also presented in a vibrant hexagonal box individually designed to represent the candle's personality.

white cashmere blossom.

Orange Flower Satsuma is a strong summer fragrance featuring a mix of tangy mandarin juice with the kick of bergamot zest and orange flower to create an exotic feel. Or try **White Cashmere Blossom** with its provocative subtle undertone, composed primarily of a trio of jasmine, petal whispering mimosa and

For a lighter summer scent, try **Plum Apricot Leaf**. Capturing the goodness of fruit, this candle exudes the essence of an apricot orchard with the citrus scents of yuzu and grapefruit. Alternatively **Pink Frangipani Lily** has a sweet and sensuous tone, featuring a combination of frangipani with exotic pineapple and coconut milk to create a tropical aroma.

Each candle retails at £25 and is available at www.amara.co.uk.
