### **Amara Introduces "Hamish"**

Here at Amara we are proud to announce the arrival of a new Mulberry Home Dachshund draught excluder – Exclusively designed for Amara

The new draught excluder is made from Allegro Plaid. A combination of vibrant colourful yarns, along with the soft leather ears and tail, Hamish also has a leather collar with brass fob showing the Mulberry Tree logo. With the tartan trend this autumn we are sure he will become a huge hit!

Hamish retails at £115

Mulberry Home have positioned themselves within the Interiors world as "THE" English brand for the home. Amara.co.uk has always had a strong Mulberry Home presence as this is such an influential brand.

After the success of the Dachshund draught excluder in their signature Ancient Mulberry Tartan last autumn, we were delighted when Mulberry Home offered Hamish exclusively for Amara.

Available for delivery from the end of October, Hamish is online to pre-order now.
